# Formats of Competitive Play, Marquee Match, & Scoring

## **Competitive Rounds**

We will participate in four rounds of competition in the following formats:

- 2 Man Best Ball @ Thistle GC (McKay & Cameron)
- 2 Man Modified Alternate Shot @ Barefoot Love
- 2 Man Scramble @ Barefoot Dye
- Singles @ Barefoot Fazio

## **Marquee Match**

- Each day there will be a marquee match played as the last match of the round
  - Except for Day 1 where the Team Blue Captain & Vice Captain will play against the Team Red Captain & Vice Captain in the marquee match, which will be the **FIRST** match of the day)
- This match is worth a total of 1.5 points to the winning team
- A match that ends in a tie will reward each team with .75 points
- A player can only play in 1 marquee match per Ryder Cup
- Starting in 2024, players that are selected as keepers must play in at least 1 Marquee Match

## **Scoring**

The winning team will need to reach **21.5** points first to win. There is a total of 42 points available thru all four rounds. Scoring for each match is as follows:

- Win = 1 point for the winning team per match
- Tie = .5 point for each team per match
- Loss = 0 points for losing team per match
- Marquee Match Win\* = 1.5 points for winning team per match
- Marquee Match Loss \* = 0 points for losing team per match
- Marquee Match Tie\* = .75 points for each team per match

## Post Competition Schedule

### Key Dates

Below is a schedule of activities following the 2024 HBF Ryder Cup:

- Saturday, Feb. 10 @ 7:00 p.m. – 2024 HBF Ryder Cup Awards
  - Location is TBD, but likely Crooked Hammock
- Super Bowl Sunday Round @ Barefoot Norman
  - \$20/player entry fee
  - 4 Man Scramble (all four players tee off, select best tee shot, continue in this matter until holing out; max 2 putts)

## Post Competition Schedule (cont.)

- Super Bowl Sunday Round @ Barefoot Norman (cont.)
  - Based on 24 players @ \$20/player (6 teams):
    - 4 Man Scramble
    - Total Pot = \$480
    - 1<sup>st</sup> place = \$320, \$80/player
    - 2<sup>nd</sup> place = \$160, \$40/payer
  - Teams will be determined prior to the trip

## Competition Formats

- 2 Man Best Ball
  - Each player on both teams will tee off
  - Each player will play their ball from tee to green until holing out
  - The best net score, per hole, wins the hole
  - In the event of 2 of the same best net scores, that hole will result in a “push” and play will proceed to the next, sequential hole
  - If the match is tied after 18 holes, the match will end in a tie, .5 point awarded to both Team Red and Team Blue (.75 for Marquee matches)
  - Players will receive 100% of their index for NET skins
  - Players will receive 100% of their index for the match, which will then be adjusted by zeroing out the lowest handicap player and adjusting the remaining 3 players
    - Example:
      - Team Red – Player A (8), Player B (14)
      - Team Blue – Player A (4), Player B (12)
      - After Zeroing Out
        - Team Red – Player A (4), Player B (10)
        - Team Blue – Player A (0), Player B (8)
- 2 Man Modified Alternate Shot
  - Each player on both teams will tee of
  - Each team will select the best tee shot and proceed to alternate shots until holing out
  - The best net score, per hole, wins the hole
  - In the event of 2 of the same best net scores, that hole will result in a “push” and play will proceed to the next, sequential hole
  - If the match is tied after 18 holes, the match will end in a tie, .5 point awarded to both Team Red and Team Blue (.75 for Marquee matches)

## Competition Formats (cont.)

- Handicaps for this format will use the following equation:
  - $(\text{Player A Index} + \text{Player B Index}) \times .375$  (or 50% of 75%)
  - Example:
    - Team Red - Player A (9), Player B (10)
    - $(9 + 10) \times .375 = 7$
  - That team would receive 7 strokes
  - That team would receive 100% of those strokes for NET skins
  - That total will be adjusted once both team's handicaps are determined
  - Example:
    - Team Red - Player A (9), Player B (10) = 7 strokes
    - Team Blue – Player A (6), Player B (16) = 8 strokes
    - Team Red = 7 for NET skins
    - Team Blue = 8 for NET skins
    - After zeroing out:
      - Team Red = 0 (for the competition)
      - Team Blue = 1 (for the competition)
- 2 Man Scramble
  - Each player on both teams will tee off
  - Each team will select their best tee shot and drop from there within one club length, but not changing the lie (e.g. – cannot move ball from first cut to fairway, rough to first cut etc.)
  - Each team will proceed to select their best shots until holing out
  - The best net score, per hole, wins the hole
  - In the event of 2 of the same best net scores, that hole will result in a “push” and play will proceed to the next, sequential hole
  - If the match is tied after 18 holes, the match will end in a tie, .5 point awarded to both Team Red and Team Blue (.75 for Marquee matches)
  - Handicaps for this format will use the following equation:
    - $(\text{Player A Index} + \text{Player B Index}) \times .33$
    - Example:
      - Team Red - Player A (3), Player B (17)
      - $(3 + 17) \times .33 = 7$
    - That team would receive 7 strokes
    - That team would receive 100% of those strokes for NET skins

## Competition Formats (cont.2)

- That total will be adjusted once both team's handicaps are determined
- Example:
  - Team Red - Player A (3), Player B (17) = 7 strokes
  - Team Blue – Player A (4), Player B (9) = 4 strokes
  - Team Red = 7 for NET skins
  - Team Blue = 4 for NET skins
  - After zeroing out:
    - Team Red = 3 (for the competition)
    - Team Blue = 0 (for the competition)
- Singles
  - Each player will tee off
  - Each player will play his own ball until holing out
  - Each player will play their ball from tee to green until holing out
  - The best net score, per hole, wins the hole
  - In the event of 2 of the same best net scores, that hole will result in a “push” and play will proceed to the next, sequential hole
  - If the match is tied after 18 holes, the match will end in a tie, .5 point awarded to both Team Red and Team Blue (.75 for Marquee matches)
  - Players will receive 100% of their index for NET skins
  - Players will receive 100% of their index for the match, which will then be adjusted by zeroing out the lowest handicap player and adjust the remaining 3 players
    - Example:
      - Team Red – Player A (8)
      - Team Blue – Player A (4)
      - After Zeroing Out
        - Team Red – Player A (4)
        - Team Blue – Player A (0)

## Competition Playing Rules

- No player can play **against** another player, as an opponent, more than 2 times during 1 HBF Ryder Cup
- No player can play **with** another player, as a teammate, more than 2 times during 1 HBF Ryder Cup (this excludes singles, players can be in the same foursome on Singles Day)
- Players must putt out everything for the sake of the NET skin competition

## Competition Playing Rules (cont.)

- Players are not expected to attend each pairing session, but are free to do so
  - Each day's pairings will be posted to the Myrtle Beach 2024 Facebook page
- Players are expected to arrive at least 30 minutes prior to their tee time and be ready to play 5 minutes prior to their tee time.
- All players are expected to play each round of competition.
  - In the event a player cannot play due to illness, injury, family emergency etc.:
    - The team that player is on will then sit one additional other player (if it's a 2-man format that day)
    - The opposing team will sit 2 players from competition, but can play for skins that day (Captain's choice)
    - If it is Singles day, the opposing team will only sit 1 player (versus 2 for the 2 man matches)
    - Regardless of 2-man competition or 1 man (Singles), the match that is not played b/c of players sitting will result in a .5 point for both teams
    - No player can sit out more than 1 round of competition
    - The Captains and Vice Captains will make the choice as to whom will sit out and that decision is final
- Inclement Weather
  - In the event that a round of competition is interrupted by inclement weather and we are NOT able to resume play that day, the following course of action will be taken:
    1. All matches that have completed 9 holes at the time of suspended play will be considered complete and the result will be determined by the match score at the end of 9 holes,
    2. Any matches that have not completed 9 holes at the time of suspended play will be considered a Tie regardless of current score at the time the match is suspended, both teams will be awarded a .5 point, .75 for the marquee match
    3. Any match that has been fully determined (closed out) at the time of suspended play will be considered closed out, points awarded appropriately.
    4. If all play is suspended prior to the beginning of our round of competition, all matches will be considered a tie and each team will be awarded a .5 point per match, .75 for the marquee match. Each player will receive a rain check for this round to be used by the given date determined by the pro shop. This can likely be used for next year's trip.
    5. It is at the discretion of the commissioner to assess any potential forecasted weather threats to determine if a round should be limited to 9 holes prior to the beginning of play on any given day.

- **Playoff Tiebreaker**

- In the event that at the conclusion of all 4 rounds of competition and both teams are tied, a true alternate shot tie-breaker playoff will take place to determine the 2024 HBF Ryder Cup Championship team.
- Teams will consist of 5 players that are Captain’s choice, but MUST include both the Captain and Vice Captain for each team.
- The 5 players will be submitted to the Commissioner at least 5 minutes prior to the first tee shot of the playoff, with the determined order the team will play.
- The format will be true alternate shot. Each team will tee off, alternating players for each shot based on the predetermined order each team’s Captain provided to the Commissioner until holing out.
- The winner will be determined by the best aggregate score over 3 holes; if the teams are still tied at that point, we will move into sudden death where best score on 1 given hole wins the 2024 HBF Ryder Cup

## Player Code of Conduct

- To reiterate, players are not expected to attend each of the pairing selections, that is a player's choice to attend or not
  - Day 1 pairings will be done on Saturday, Feb. 3, Location TBD
  - Day 2 pairings will be done on Wednesday, Feb. 7 during the 9 Hole shamble @ Thistle GC (captains and vice captains are playing together and will do the pairings while they play; results will be released later that night)
  - Day 3 & 4 pairings will take place after the rounds on Thursday & Friday at Putter's Pub
    - This will begin once both captains and vice captains are done, we will not wait for all players to begin pairings
- Players are expected to arrive at least 30 minutes prior to their tee time and be ready to play 5 minutes prior to their tee time
- This is our first year at Barefoot – we are all excited about this venue change and let's enjoy the heck out of it while being respectful to each other and the staff – we are here to have fun and enjoy the time together while a competition happens on the side
