

We are very excited to be hosting the 2024 HBF Tour's Net Modified Alternate Championship. This is true partner golf folks, and I can't wait to see which team has the moxy to bring home this coveted Championship.

Lunch is included with your entry fee and will be hosted by the staff at Covered Bridge. We will open lunch at 1:00 PM so that everyone can grab their food and enjoy prior to hitting the range.

FORMAT: MODIFIED ALTERNATE SHOT

Player 1 and Player 2 both hit their tee balls. They choose the best drive and alternate shots until holed. For Example, if you choose Player 1's drive, Player 2 hits the second shot, Player 1 hits the third shot and so on.

TEE BOXES:

--Men 54 and younger will play the Gold Tees (6400 Yards)

--Men 55+ and Ladies will play the Green Tees (6000 Yards)

HANDICAP CALCULATION EQUATION Team Handicap Equals:

(Player A's Course Handicap + Player B's Course Handicap) X 40%

Example Calculations: (Team Veltman & Underwood)

(Underwood (Green Tees) 17 + Veltman (Gold Tees) 1) X .4 =

7.2 Rounds to 7

Due to the different tee boxes, we had to use course handicaps to account for the tee box rating and slope.

Please remember all calculations are done Per HBF Tour's Handicapping Guidelines. Please refer to www.hbftour.com if you have any questions. Use the Member's Cap tab on the left side of the screen

Please make sure to pack lots of water and cold towels. It is going to be a hot one. Stay hydrated to enjoy the day to the fullest!

CHECK-IN will be INSIDE BY THE DINING AREA SO THAT GUYS CAN EAT, AND WE ALL STAY OUT OF THE HEAT!!
